NEBOSH IGC CERTIFIED SAFETY OFFICER — SEEKING HSE OFFICER ROLES, GCC REGION

+91 9633-559520 | joji.george@live.com | Kochi, Kerala, India | Available for Immediate Relocation

PROFESSIONAL SUMMARY

NEBOSH IGC certified Safety Officer with a strong foundation in occupational health & safety principles, hazard identification, risk assessment, and HSE regulatory compliance. Backed by 6+ years of professional experience in high-accountability roles demanding meticulous documentation, regulatory adherence, analytical problem-solving, and multi-stakeholder coordination — skills directly transferable to safety management in GCC industrial environments. A disciplined, detail-oriented professional committed to building a zero-incident workplace culture.

NEBOSH IGC2 — PRACTICAL WORKPLACE ASSESSMENT

As part of the NEBOSH IGC2 practical component, conducted a full risk assessment of a live workplace: carried out a site walkthrough to identify hazards, evaluated existing controls against legal and best-practice standards, and produced a formal report recommending additional control measures — the same workflow expected of a working Safety Officer on a GCC site.
